

Educational Programs 239-455-1698

Animal encounters and educational programs are available year-round by appointment. Please call early, as we have limited appointments available, sometimes booking even months in advance for school holidays.

Shy Wolf Sanctuary, Education and Experience Center is home to a large variety of resident animals including prairie dogs, foxes, tortoises, wolves, wolfdogs, cougars and a leopard.

Our educational programs target many different topics and age groups. We've taken animals to elementary schools as well as assisted living facilities. The ambassador animals have many stories and lessons to share. Call us to learn more!

Private animal encounters or photo opportunities may be arranged for a minimum donation. Those wishing to profit off images taken will need to garner approval from our Board of Directors, remembering that we support the animals through donations.

Donations are gratefully accepted. Your generosity allows our animals to eat and educate the community!

“If you talk to the animals they will talk to you and you will know each other. If you do not talk to them you will not know them, and what you do not know you will fear.

**What one fears –
one destroys.”**
