# SPONSORSHIP PROGRAM

**Naples, FL**  
**239-455-1698**

Since 2001, Shy Wolf Sanctuary Education and Experience Center has been maintained entirely through volunteer efforts and donor support.

Resident animals include not only wolves and wolf-dogs, but big cats, foxes, tortoises and prairie dogs. Through the years, our educational visits and programs have reached tens of thousands of people. Our on-site visits have enabled many people to have a once in a life time opportunity to meet a wolf...to see for themselves that wolves are not evil villains so often portrayed in myth, but highly social, intelligent and integral members of our ecosystem.

Shy Wolf Sanctuary is also involved in rescue efforts throughout the country. Our resident animals come to us from many urgent situations. Some have been rescued from roadside zoos, found wandering after escaping from improper confines, rescued from shelters where they would have been euthanized, or from owners who have abused and neglected these beautiful animals. They all have one thing in common: the need to find a safe home where their needs are recognized and can be met.

We at Shy Wolf would like to thank you for your generous donation to sponsor one or more of our wonderful animals. Every dollar goes to providing them with a safe and enriching environment, food and medical care, while enabling them to continue educating our guests and community.

Thank you...

From the Heart... For the Animals!
